

Freelance Opportunity 2026

A Robert Cromeans Salon is a HYBRID salon

that has employees and freelancers working side by side all with the same goal in mind... to give each & every guest an exceptional salon experience!

Enjoy working at our newest salon location at 3942 Hancock St in the Point Loma/ Midway district. This ultra - modern salon is a freestanding, triangular shaped building with tons of natural light and FREE parking for both you and your valued guests!

A Robert Cromeans Salon is best known for the infamous [WASHHOUSE](#). It's 2 separate rooms, closed off from the rest of the salon with spa like music and dim lighting so your guests can relax & you can spoil them. 4 of our sinks have a shiatsu massager for the ultimate [Washhouse experience](#).

We use and recommend Paul Mitchell and that is what is on our fully stocked [COLOR BAR](#).

Thanks to our partnership with [SALON SCALE](#), you will have access & the option to purchase your color products by from us by the ounce, rather than running to the beauty supply daily. It is Blue tooth connected and syncs up with an app on your phone.

You are absolutely free to use any color line you prefer and keep it stocked inside your station.

State of the art [Freestyle stations](#) hold our blow dryers & they hang at each station so you're always equipped & ready to go.

Our fully stocked [Take Home](#) area allows your guests to take you home with them. Those sales go through the salon register & ARCS will [pay you 20%](#) of those sales quarterly.

Being a SOLOpreneur at A Robert Cromeans Salon gives you the best of both worlds. You can work side by side with like-minded individuals striving for success, have access to advanced education, both business & creative, all while having the freedom & full control over your schedule, your guests & your finances.
